

MILD ABRASIVE POLISHING CREAM FOR THE RESTORATION OF ETCH MARKS, LIGHT SCRATCHES, AND SURFACE IMPERFECTIONS.

TECHNICAL DATA SHEET

B-TOP RESTORER

PRODUCT DESCRIPTION

Specially formulated mild abrasive polishing cream designed to restore gloss and remove light surface imperfections from polished marble and engineered surfaces. Effectively eliminates minor scratches, etch marks, dull spots, water rings, and surface wear caused by everyday use, restoring the original appearance and shine of the material. Easy to apply by hand or machine, the product is ideal for localized repairs and maintenance of polished marble, quartz, agglomerates, and composite surfaces without the need for professional restoration equipment. Recommended for use on kitchen worktops, countertops, vanity tops, tables, window sills, shower areas, decorative objects, statues, vases, and other polished natural stone surfaces. Restores surface gloss while preserving the natural appearance of the material.

APPLICATION SURFACES

Marble, marble/resin, limestones, travertine, quartz engineered surfaces and terrazzo surfaces.
For indoor and outdoor use.

CHEMICAL AND PHYSICAL PROPERTIES

APPEARANCE:	Cream
COLOR:	White
DENSITY AT 20°C :	1,04
SOLUBILITY:	Partially soluble in water
STORAGE AT 20°C :	24 months in original packaging

HOW TO USE

ALWAYS TEST PRODUCT FIRST following the below product indications before proceeding with complete product application. Cover and protect all surrounding areas before proceeding with application.

SHAKE WELL before using. Apply a few drops of product to the area to be polished. Using a white felt nylon pad, agitate or buff area manually in circular movements until product is near drying. Do not allow product to dry on surface. Add product or a few drops of water to maintain a creamy substance. Remove residues with clean water and control result. Multiple applications may be needed. Note: for stubborn deeper marks, product can be used together with a manual held orbital tool so to increase weight and result. Use as indicated on minimum speed and with white or red nylon pad.

RECOMMENDATIONS

Used on matt finishes, product will create a glossy effect. Do not let the product dry on surface. Do not apply to warm or heated surfaces. Remove all dust and dirt before use. Multiple applications may be required. Once visible marks have been removed, we suggest protecting the surface using our IDEA HP / IDEA GOLD / BLOCK D70 ECO+ to reduce future staining. Maintain surfaces using B REFRESH TOP or using our 3 in 1 cleaner B 3 ACTION TOP. Before use, read completely product label, technical data sheet and safety data sheet.
